

# Wag Your Tail (Lyric Sheet)

by Pevan & Sarah

Do you love dogs? I do! I do!  
Maybe you do too  
Maybe you have one?  
Or your neighbour does, or friends and family too  
It's important, to care for them  
We'll show you what to do

T - touch them gently, on their side is best  
A - avoid touching if they're eating or at rest  
I - imagine how they're feeling, are they happy, are they scared?  
L - love them with respect and show them that you care

**So wag your tail**  
**So wag your tail (T.A.I.L)**  
**So wag your tail**  
**So wag your tail (T.A.I.L)**

Can I climb on my dogs back? (No!)  
Try and steal their doggy snack? (No!)  
Be rough when I give a pat? (No!)  
Should I pull on their fluffy ears? (No!)  
Yell at them so they can hear? (No!)  
Make their best toy disappear? (No!)

T - touch them gently, on their side is best  
A - avoid touching if they're eating or at rest  
I - imagine how they're feeling, are they happy, are they scared?  
L - love them with respect and show them that you care

**So wag your tail**  
**So wag your tail (T.A.I.L)**  
**So wag your tail**  
**So wag your tail (T.A.I.L)**
